

EFFICIENT *ats* Effortless Applicant Tracking

⚡ create ⚡ post ⚡ manage ⚡ track ⚡ score ⚡ hire

Efficient ATS is an applicant tracking solution that is used to recruit candidates to your work force. Completely paperless and customizable, use this simple solution to streamline your candidate review process. Integrated tools allow you to quickly post positions to your internal website, job boards and social media. Assess candidates using your scoring values and invite others to review potentials. Once you are ready to hire, it's easy to invite your candidate to complete your on-boarding process.

⚡ Efficient ATS is a user friendly application tracking tool that can be easily plugged into the Efficient Hire platform.
